Trattler Chatter

By Pauline Trattler
Gr-3762

Hi! didn't think I'd make it this week as I was a little under the weather. That nasty virus germ paid me a visit (personally, I could do without such company).

And speaking of that "virus germ", we are sorry to hear that Mrs. Steven Polaschik, 12-D Ridge, is a patient at Prince Georges Hospital. She has virus pneumonia. (Please get better quick, Mrs. P. . . the car-pool needs your husband!)

Also sorry to hear that Mrs. Margaret Jones, 31-B Ridge, contracted virus pneumonia while visiting her son in Montgomery, Alabama. Here's wishing her a speedy recovery. (Is that a nice way to spend your vacation, "Biggie"?)

At this writing the Bickford family, 17-G Ridge, have all their bags packed and in a day or two will take off for a two-week vacation in Miami Beach, Fla. Gee, those lucky people—while all of us will be up here freezing they will be basking in the warm sun. (Don't forget to send us a post card, and have a real good time.)

Congratulations! Mr. and Mrs. E. M. Faulconer, 71-K Ridge, announce the engagement of their daughter, Lois Jean to Norwood Shifflett of Berwyn, Md. (Very happy to hear such nice news, Lois.)

"Sweet Sixteen" . . . Oh! what a wonderful age, and oh! was Donna Rogers, 17-K Ridge, wonderfully surprised when some of her friends gave her a surprise sweet sixteen birthday dinner Saturday, December 8. Poor Donna was wearing her bluejeans when she walked into her house for the surprise, but with the luscious food her mother served, I'm sure no one noticed.

Sorry to hear that Mrs. John S. Lucas, 2-B Southway, was suddenly rushed to the hospital on Thursday.

Our deepest sympathy goes to the Arrington family with the passing of Vernon Arrington, on December 8. . . Mr. Arrington, lived with his mother in Nashville, Tenn. for the past year, worked at the Greenbelt service station for many years. He also was manager of the valet shop at one time. Mrs. Nell Arrington, and her son Bob, left on Sunday to attend the funeral. The Arringtons live at 21-K Ridge.

We are also sorry to hear of the passing of Willard F. Boteler, 8901 Baltimore Blvd., College Park. He was our first plumber, who served the residents of Greenbelt for many years. Mr. Boteler, who

Santa Claus Is Coming To Town Monday Dec. 17

By Donnie Wolfe

Attention all Greenbelt Kids; Santa has sent word to us that he will be in Greenbelt Monday Dec. 17 at 5 p.m. He said it would be a surprise as to how he would arrive and also to tell all to be on the look-out as he is going to circle the city. He wants to help with the lighting of the tree. Santa also children sing Christmas carols. I said that he wanted to hear the then got on the telephone and got in touch with Mr. Braund and he said that he would see that the children would be there to sing. After Santa makes his trip around Greenbelt he will be at the center to help with the lighting of the tree. The program at the community tree will start at 6 p.m. Santa will then leave but will be back on Sat. Dec. 22 from 9 till 11 a.m., in the lobby of the theater. He has for all the children, 6 years and under, a little surprise and he wants to hear just what you want him to bring you. Now don't forget to watch for him, and be on your best behavior!

Doll House Drive

Boy Scout Troop 229 wishes to remind all Greenbelt families that Saturday, December 15 will be the last day for the drive for toys for Bill Herson's Doll House. For pickup, please call Greenbelt 5978, 4051, 4418 or 4971.

Brownies Plan Party

Members of Brownie Troop 116 will hold a Christmas party on Wednesday, December 19 at the home of Mrs. James Ott from 7 until 9 p.m. Games and refreshments have been planned.

passed away Dec. 3, had been ill for quite some time.

So long! Cheery-O! and all that to the Haut family, 7-B Ridge, who are leaving Greenbelt to take up their new residence in Los Angeles, Calif. Mrs. Haut's bridge club gave her a farewell dinner party at the Water Gate Inn, and after dinner the club took her to the theater. (Lots of luck, Mae and Milton, and let's hear from you.)

Dr. and Mrs. William Eisner have moved into their new home, 6303 Pontiac St. Berwyn Heights. They still have their old phone number (Gr- 2121) and office still at 30-B Ridge. (Lots of luck and happiness in your new home.)

A surprise baby shower was held for Mrs. Edward Brooks of 12-A Hillside by Mrs. Joseph Kosisky, Sr., Mrs. Joseph Kosisky, Jr., and Mrs. Eve Gerrard. Twenty-five persons attended, and many beautiful gifts were presented.

Darryl Kosisky, son of Mr. and Mrs. Joseph Kosisky, Jr., of 4-A Laurel Hill Road, celebrated his fifth birthday on December 8, with a party attended by twelve children. Needless to say, a good time was had by all.

Again this year as last Mrs. Carlson will give a puppet show for the pupils of the Center school, Wednesday, December 19. The show is sponsored by the Center School PTA and the proceeds will be used to furnish a health room for the children.

Well, folks, that does it for this week. Let me thank the kind gentleman who got off the Greenbelt bus last Tuesday to drive me home, when I became sick on the road. It's nice to know that you can count on your neighbors in time of need. I'm sorry I didn't get this gentleman's name.

ANY QUESTIONS?

The Cooperator, in an effort to help residents get accurate information about the future sale of Greenbelt is devoting space each week to a question-and-answer column. Mail your questions to the Greenbelt Cooperator, Box 68, Greenbelt, Md.

Meet Bobby Ward: Twice All-American

By Bobby Solet

Twice All-American Bobby Ward, Maryland University football star, has been living in Greenbelt since September 1950.

The twenty-four-year-old veteran, student and ace lineman and his family - wife Ellen Louise, 11-month old son Jim and 3 weeks old Kathleen - have recently moved from Laurel Hill to 32-F Ridge. At present Bobby is practicing for the Sugar Bowl and boning up for the exam season which always seems to shadow holidays.

At five feet eleven and 185 lbs., Bobby is small for a lineman, who usually tips the scale at 200 or over, but, as he told us, he comes of a footballing family. Two of his brothers at Columbia U. have brought honor to their college teams; Jim, in his second year at law school, was team captain two years ago and Al, now a junior, has proven a fine defensive end. The five Ward boys and their sister Ann, now studying medicine at Maryland U. along with her brother Jack who is halfway through dentistry, were brought up in Elizabeth, New Jersey. The youngest of the family, Peter, is a high school junior and the only one still at home. Bobby, who remembers that he "always wanted to play football," made his mark at Thomas Jefferson High in his home town. After his eighteen months as a paratrooper he came to Maryland to major in business administration - and blocking.

Televiewers are familiar with the dark-haired, pleasant-faced player who has missed only one game in his four years at the college, and that one because of a kick in the chest suffered in a game the week before. This season in the tussle with Georgia Bobby broke his hand, but otherwise, he says, "no serious injuries," although everybody on the squad gets his share of muscle bruises and similar minor annoyances.

A member of Phi Delta and the track team, and a conscientious student, Bobby has little leisure, but what he does have he likes to spend "in action." Golf is one of his favorite relaxations, but reading involves "too much sitting down." Although he says no one in his family ever "showed any musical ability" - in fact, one after another tried instruments as diverse as the trumpet and the violin without success - Bobby likes musical comedies, "good ones," best of all entertainment.

His plans for the future are indefinite, so far. The Sugar Bowl game and graduation are large on the horizon. Once his Senior year is over, Bobby thinks he might like to try his hand at coaching, a profession which involves "more than just being a good football player." A gift for administration is the chief asset and the ability to control a team a necessity. Bobby hopes to try himself out during Spring practice but in the meantime there is one thing the thoughtful, rather deliberate, all-star lineman is sure of: "No desk job for me." Bobby Ward says with determination. "I've got to be out and moving around."

Football fans who have seen him in a defensive play will have no difficulty understanding his feeling on the subject.

News Year's Eve Dance To Be A Gala Affair

The Cooperator's New Year's Eve Dance this year promises to be a truly gala affair, with a fine band under the direction of Ed Dennison, well-known Washington mae-bro acts .c cmfwypetaoinshrdludl stro. Seven big acts—repeat, seven big acts—are scheduled in the floor show, with such headliners as Julia Bailey and her inimitable pantomime act, and an honest-to-goodness chorus line consisting of ten of the most beautiful girls this side of Hollywood.

Prizes, surprises, and things unexpected will be in store, with fun and laughter for all. Notions, novelties, and noisemakers will make this a New Year's Eve to be remembered long after our heads have cleared. And while this is going on in the Center School Auditorium, there will be refreshments, with eggnog (non-intoxicating) downstairs in the Social Room.

The date, of course, is Monday, December 31, beginning at nine o'clock. The admission, three dollars a couple, including tax. See any staff member.

Spend a safe, sane, and zany New Year's Eve at the Cooperator Dance this year—close to home with a telephone available to check on your baby-sitter. And have the time of your life!

Greenbelt's Lions Pick First Officers

Greenbelt now has a Lions Club which is scheduled to become a member of Lions International, a service organization of over nine thousand clubs in thirty-one countries. Robert Lindeman was elected president, Andrew L. O'Connell first vice-president, Donald Romer, secretary, and Henry Brautigam, treasurer. The club will celebrate its charter night on Monday, February 11, 1952.

A Lions Club furnishes organized leadership for community development by recognizing community needs, and either by independent effort, or through cooperation with other agencies, effecting remedies for existing needs. A Lions Club is a service club. 130,626 constructive activities were completed by Lions Clubs last year.

Members will meet on the second Monday of each month at the Wayside Inn for a supper meeting, and on the fourth Monday of each month at the firehouse. Club activities will encompass Agriculture, Boys and Girls, Citizenship and Patriotism, Civic Improvements, Community Betterment, Education, Health and Welfare, Safety, Sight Conservation and Blind, and United Nations.

Drop-Inn Data

By Bobbie Baxter

Members of the Drop-Inn would like to thank Mr. and Mrs. Seymour Levine for giving them a couch. This was very thoughtful of them to contribute.

The Drop Inn will reopen in the afternoons on Monday, Wednesday and Friday, from 3:30 to 5:30. Monday, December 17, will be the first afternoon the Drop Inn will be open.

Junior members of the Drop Inn (seventh and eighth graders) will be permitted to come to the Drop Inn two nights a week, Friday and Sunday. When there are dances on a Saturday night they will be permitted to come to those too.

The following parents have acted as hosts at the Drop Inn the past week: Mrs. Iseli, Mrs. Reamy, and Mr. and Mrs. Beckham. Thank you all for your splendid assistance.

The Greenbelt Theatre

thanks the Cooperator for the very fine story about the theater operation which appeared in the paper last week.

However - we are not yet satisfied with our operation!

Too many Greenbelters are passing up such fine productions as:

COME FILL THE CUP

Only 166 adults saw this fine picture in two nights.

PEOPLE WILL TALK

Only 237 adults saw this excellent comedy in two nights.

OLIVER TWIST

Only 299 adults and 207 children saw this Dickens classic in a Saturday and Sunday exhibition.

AND OTHERS!

We are determined to find out why people do not attend the theater, and we will not stop trying till we can correct this condition.

VALET SHOP

Noticed any changes in the food store recently, particularly up around the frozen food cabinets? Several have been made to increase the capacity of the whole section, and there is now room for the entire low priced Songstress line that sells for 49c. Another new cabinet has also been ordered for the meat department. The first 1952 model to be delivered in the Washington area, it is scheduled to arrive shortly after Christmas and it will be used for frozen fish.

Christmas trees are due in any minute. These are the same high quality double balsam trees that were handled last year. They are each individually picked and all have been freshly cut in the past week or so. These trees are shipped from Nova Scotia and come direct from a Canadian Cooperative. Prices will not vary much from those of a year ago.

Be on the lookout for stormy weather, but before it comes drop in at the Valet shop and buy "Totes", Light, comfortable and easy to clean. Children's sizes \$1.17. Women's \$2.98. Just a minute spent looking over the complete line of HOUSE SLIPPERS may save you making another trip in later on. And don't delay any longer on dry cleaning, with Christmas only a second hand away. Suits 85c, the lowest price in the area. More and more people are using this excellent service which has grown by at least one third in the last year. Close to 2400 pieces of clothing, that is what goes through the Valet Shop dry cleaning service during just one month.

Have you ever wondered how many items the Greenbelt Department store carries? That number is easily over 20,000. Take thread alone, at least 500 items in different colors and sizes, and zippers, must be well over a 100 of them. One could actually travel all the way from Baltimore to Washington and not find a better assortment of merchandise. Right now the run is on Christmas wrappings, twine and ribbons. Greeting cards single or in boxed assortments ranging in price from 25c a box to \$1.49 are popular too. English three speed bicycles priced at \$49.50 make a particularly pleasing gift. Then there is a special. 15c tree balls are now being sold packed a dozen to a box for \$1.29. You save 51c.
